

**Public Information Meetings — October 21 & 22, 2003**  
I-94 Rehabilitation Project  
(From East of I-96 to Conner Ave.)

*Two locations for your convenience*

MDOT received unanimous approval from the Detroit City Council on the project's Recommended Alternative (Aug. 1, 2003) and is now completing the environmental phase of the project. As part of this effort, MDOT is continuing its public information and outreach to the community with open-house style meetings. These meetings are designed to update the community and answer any questions that you may have. The public is welcome between the hours of 3:30-7:30 PM each day.
